Memorial Preschool

Memorial preschool is an outreach program developed by the wife of a former pastor of Memorial Church, in 1983 for the Terre Haute community. While the instruction is not of a particular religious doctrine, the children will have Christian influence in many of their lessons and programs. This is a Christian Pre-School where children ages 2-5 can learn in a safe and secure atmosphere.

The focus is on the growth and development of children as they prepare for public or private education, including home-schooling.

For more information, contact the Preschool director, Paula Johnson at 812-232-9046.
