

To MARS and BEYOND!
Explore Where God's Power Can Take You

June 17-20, 2019
9:00 to 12:15
Classes begin with 3 year olds

Memorial United Methodist Church
2701 Poplar Street

Dear Parent:

We thank you for allowing your child to attend “To Mars and Beyond” at Memorial Church. Your child will discover the wonders of God’s universe. They’ll become Voyagers on a journey through space, exploring where God’s power can take them. They will learn how God walked with heroes of the Bible and that God is always with them, too. Either Wednesday or Thursday, your children will be attending the Planetarium. Permission slips will be available on Monday, June 17.

Each day, please walk your children into the registration area (door #7) where we will check them in and they will then proceed to their classroom to meet their guide who will be their teacher throughout the week’s journey. We will be moving all over the church and outside during the morning. You can meet your children at 12:15 in their classroom.

There is no charge for VBS, but we will be having a daily offering for this year’s missions, which will be to make comfort bags for those in the hospital. Each day we will have a coin challenge. On Monday, we will see how many pennies we can collect, Tuesday will be nickels, Wednesday will be dimes and Thursday will be quarters. In addition to the daily offering we will be collecting boxes of crayons on Monday and Tuesday. On Wednesday and Thursday we will be collecting coloring books and children’s story books.

We will have a different color to represent each day. Please have your child wear the corresponding shirt color if they have one. Monday—yellow, Tuesday—red, Wednesday—green, and Thursday—blue.

We invite you to join us on Sunday mornings for worship at 8:45 or 11:00 if you do not have a church home. Sunday School is at 10:00 for all ages.

Thank you for allowing us to serve you and your children in this special way.
