

**Laura Winkel Summer Missioner Application**

**Memorial UMC**

A Summer Missioner serves on behalf of Memorial UMC as a Christian missioner in service agencies in the Terre Haute Community. A summer missioner is expected to be a “humble servant,” giving their time and energy to assist and empower those who have needs, but often lack the resources or abilities to solve their problems on their own. A summer missioner appointment is not intended to provide the missioner with an “enjoyable or relaxing alternative summer experience.” A summer missioner should expect to give of themselves in the Christian service of others.

Summer missioners are expected to serve 250 hours for which they receive a stipend of \$2500. Schedules can be flexible, and applicants are required to share from their experience during both the 8:45 am and 11:00 am worship services on a **Sunday chosen in coordination with missioners’ availabilities.**

Applicants for Memorial UMC Summer Missioner are prioritized as follows:

- 1<sup>st</sup> priority – fewer than 2 years as a summer missioner
- 2<sup>nd</sup> priority – 2 or more years as a summer missioner; the more years of service, the lower the priority.

Submit your Letter of Application and resume to the MUMC office no later than **Sunday April 12th.**
